Lake City residents and businesses may continue to use the current Yard Waste Site until Friday October 18, 2024 when the new Yard Waste Site opens.

All yard waste, including trees, originating from Lake City will be accepted at the new Yard Waste Site. Rubber tires, appliances, chemicals, furniture, concrete, wood pallets, and all other construction materials will not be accepted at the site. Please follow all of the posted instructions at the new Yard Waste Site so it can be safe for all Lake City residents and businesses to use.
